

### Strength of Schedule

GSA Schedules offer a pre-screened pool of proven vendors. To win a GSA Schedule Contract, all schedule holders had to navigate rigorous technical and managerial past performance evaluations.

### Benefits of Ordering Through a GSA Schedule:

- **Easy to Use**—simplified online ordering and use of Blanket Purchase Agreements (BPAs)
- **Saves Time**—schedule orders average 15 days while open-market procurements average 268 days
- **Saves Money**—GSA Schedule pricing is pre-determined to be fair and reasonable
- **Goal Targeting**—schedule orders can count toward an agency's socioeconomic goals
